

Trunk or Treat started in 2016 at KTP UAW Union Hall. The intent was to allow those who are scheduled to work on Halloween to have the opportunity to go trick or treating as a family. Halloween is a special night to spend with family and the goal was to help our members have the opportunity to spend time with their family. A lot of GREAT volunteers and hard work has made this very successful for all our employees not only at KTP but Louisville Assembly as well!
