

UAW Local 3064 Partners with Dana for Bike Drive

UAW Local 3064 President, Kyle Chamblin, had a great idea about doing a bike drive. UAW Local 3064 and Dana partnered together to make the bike drive a big success. Our goal was 35 bikes. This would have been five bikes for five Elementary Schools in Grant Co., Kentucky and five bikes to each of the two middle schools in Grant Co., Kentucky. We ended up with 57 bikes and helmets! Each school got extra bikes and helmets. The bikes went to children of families who can't afford to buy their child a bike. The schools also helped with this process. Kyle Chamblin, Beverly Fryman- from Local 3064, and Selena Ruth - Dana employee delivered the bikes to the schools. Overall this was a great turnout for a great cause!
