July 17, 2020

TO: Regional Directors, LUCA Advisory Council

FROM: Rory L. Gamble

SUBJECT: 2020 LUCA Conference Cancellation Notice

It is with regret that I must inform you that the 2020 LUCA Conference to be held at the Walter and May Reuther UAW Family Education Center is cancelled this year as a precautionary measure in consideration of the outbreak of the Coronavirus. Work is in progress to provide LUCA training resources as an alternative to the annual conference. The annual LUCA awards recognition will still be conducted and details for member participation will be sent shortly.

Please forward this information to your local unions.

Thank you.
