FALL 2020 Newsletter

Hope everyone has been doing well and keeping safe in this current pandemic. We would just like to update all our members on upcoming plans.

All meetings have been cancelled through the end of the year. We are not sure yet about meetings for next year. As soon as we get information from the UAW International, we will pass it along. Our **Christmas event has also been cancelled.**

In the meantime, if you would care to do so, please provide us with an email address and your phone number so we can keep in better contact. Please forward this info to Len at mariadleng145@yahoo.com or call [586-321-4711](tel:586-321-4711).

Also, if you have a problem, please feel free to call Len at the above phone number because the **Drop-in Center is also closed until further notice.**

The International is endorsing Joe Biden for president so we encourage our members to vote for him. It is very important for all of us to vote and to make sure everyone is safe; we encourage our members to vote by mail. Contact your local Supervisor of Elections to have absentee ballots mailed out to you. Whatever your situation is please vote in the upcoming November election.

We also encourage everyone to contribute to the V-CAP program. Our union dues cannot be used for political purposes. Therefore, V-CAP was established for this purpose. We must elect candidates that are labor friendly.

Again, we hope everyone is staying healthy and safe. We encourage all to follow the CDC rules and hopefully this pandemic will end soon. We also extend our best wishes for a safe and healthy holiday season.

In solidarity,
Len Guminski

DON'T FORGET TO VOTE ON NOVEMBER 3, 2020
