

UAW Local 9025 – Dana Paris, Tennessee

UAW Local 9025, Dana, in Paris, Tennessee has put out collection boxes, for school supplies, throughout the plants on their campus since 2012. Their Servicing Rep, at the time, thought that it would be good to get in touch with the community!

Donating school supplies was something the bargaining team came up with. It was to show the community that they cared, and it gave the membership a chance to help and feel good about it.

The schools are Rhea Elementary in Paris, Big Sandy schools, Henry Middle School, McKenzie Elementary, and Dresden Elementary.
