A Federal Solution  
to Affordable  
Health Coverage in  
Tennessee

Congress has an opportunity to create a Federal solution that would provide affordable health coverage for Tennesseeans. Please tell your U.S. Senators and Representative to prioritize health for the people of our state in the reconciliation bill currently before Congress.

Tell Governor Lee  
We All Benefit When  
People are Insured

Please take a moment to send a message to your State Legislator and the Governor explaining the importance of Medicaid expansion in times of crisis.

The Federal Government is offering Tennessee \$900 Million to expand TennCare. What are we waiting for!
