

UAW Local 2929, Faurecia Simpsonville Raising of Flag

We voted in our union local UAW 2926 in December 2017 under George Palmer as our Representative. We elected our Executive Board in 2018, and we are working on growing our local and become stronger for our membership as well as our community. Under our Bargaining Chairman, Greg Hawn we are standing firm. Although, we are in a Right to Work state, we are looking forward to the challenge of growing our membership through education and setting the example of what the UAW is and represents.
