3Q - 2020 EKRC Retiree Newsletter

We hope this newsletter finds everyone in good health. We understand how we were all taken by surprise with the sudden closure of the Drop-in Center which was beyond our control.

As the UAW International Executive Board (IEB) continues to monitor the COVID-19 crisis, it was determined that all Drop-in Centers will remain closed until the end of the 2020 year. Additionally, all special events and monthly membership meetings are suspended through the end of the year.

The IEB will take another look in December and decide on how to proceed in 2021.

2021 Member Benefits:

- **No** changes in member cost share
- **No** changes to our benefits or level of coverage.
- **When available**, the insurance will cover the COVID -19 virus vaccine
