

## EASTERN CAROLINAS UAW RETIREE COUNCIL APPRECIATION AWARDS

TINA HEAVNER

BOB & MARGIE LOVATY

At the close of our last council meeting of the spring. We took time to honor three members who have attended all meetings, but are more than just attendees. Tina has a long career supporting this council. She's first to volunteer, gives informative reports and does everything with a positive attitude. She supports everything our unions do for retirees. She has held every position on the executive board and has been appointed to the Retirees Workers Advisory Council, is also our benefits representative, makes it a point of attending all conferences. When it comes to unions her answer is Yes We can. She is one of our most DEDICATED UNION LEADERS.

Our second award went to two members, husband and wife Bob & Margie. They attend all meetings, are active at the meetings and appreciate union for all that it's done for them. Their support doesn't stop there. They go one step further, they make it a point of donating school supplies to our public school collection cart. Which this council in turn donates to title #1 schools. Last year this council donated over 50 lbs of school supplies with their help.

These outstanding members don't do this for recognition, they do this because they believe in what the UAW stand for, not only in the work place but in our every day lives. Their support of public school students and teachers not only shows their generosity but a desire to a quality education for all. These Appreciation Awards are our way of saying, Keep doing what your doing.

Thank You.

In Solidarity  
Eastern Carolinas UAW Retiree Council  
The Executive Board

Can we post this on our region 8 retiree newsletter
