To: ALL LOCAL UNION PRESIDENTS

To better inform the leadership of our local unions, we are now loading all call letters on LUIS. This includes all Black Lake Conferences as well as all Regional Conferences. So, if for some reason you do not receive a hard copy of a call letter, please check LUIS. Be sure to scroll all the way down in LUIS to see all the attachments. You are always welcome to call Mary Jo at the office with any questions at 615-443-7654.

In solidarity,

Tim Smith
