Commercial Plan Common Questions

- Why am I being charged full price at my local pharmacy for my maintenance medication prescription?
 - The plan allows 3 fills at your local pharmacy; subsequent fills must be filled at Optum Home Delivery, or the member must pay full price of the medication.
- Why is my specialty medication rejecting at my pharmacy? I already received a prior authorization.
 - The plan allows 3 fills at your pharmacy; subsequent fills must be filled at Optum Specialty Pharmacy.

EGWP Plan Common Questions

- **I just became Medicare eligible....**
 - Will my current refills at Home Delivery transfer over to my new plan?
 - Yes, if you have available refills, they can still be used.
 - Do I have to create a new online account?
 - No, you can still use your existing username and password, and your account will be updated to your current plan
 - I received an approved prior authorization under the Commercial Plan and it also needs a prior authorization under the Medicare plan; do I need to obtain a new prior authorization?
 - Yes, your doctor will need to submit a new request to OptumRx for review. You will be allowed a one-month interim refill of your medication while the review is initiated.

The screenshot shows the OptumRx website interface. At the top, there is a navigation bar with the OptumRx logo and the UAW Retiree Medical Benefits Trust logo. The main content area features a large light blue banner with the heading "Welcome to Optum Rx" and a sub-heading "We'll make the transition easy by helping you find a network pharmacy, learn about coverage and ways to get your medications." Below this banner are two prominent white cards. The first card, titled "Find a network pharmacy", features an orange location pin icon with a white "Rx" symbol and the text "Locate in-network pharmacies near you". The second card, titled "Prescription drug list", features an illustration of three orange and white pill bottles and the text "Search your plan's formulary to determine coverage and additional details". At the bottom of the page, there are two columns of links: "Tools" (Find a network pharmacy, Prescription Drug List) and "Information center" (Video library, Contact us, Frequently asked questions).
